

MODERN DRESS FASHIONS BLAMED FOR IMMORALITY

General Assembly of the Presbyterian Church Opened Today in Chicago.

MODERN DRESS FASHIONS BLAMED FOR IMMORALITY

Women of Church Called Upon to Help Battle Tendency of the Times.

CHICAGO, May 21.—Rev. John Timothy Stone, Chicago, moderator, opened the 124th General Assembly of the Presbyterian Church in the United States here today with a gavel made from the pulpit of George Whitefield, one of the founders of Methodism, who died in Newburyport, Mass., in 1783. The gavel is small and light and its mallet-shaped head is bound by gold bands. It was presented to Dr. Stone last year at Atlanta, when he was elected moderator.

The General Assembly is composed of 520 members, half ministers and half elders. Representation is upon the basis of the number of ministers. This gives a strong representation to the home states here today with a gavel made from the pulpit of George Whitefield, one of the founders of Methodism, who died in Newburyport, Mass., in 1783. The gavel is small and light and its mallet-shaped head is bound by gold bands. It was presented to Dr. Stone last year at Atlanta, when he was elected moderator.

The program for today was short. The assembly was opened with prayer, and a report of the committee on arrangements recess was to be followed by the election of a moderator. There will be a general reception tonight.

Report on "White Slavery."

The "white slave" report discusses the magnitude of the evil, declaring that there are 100,000 "white slaves" in the United States. This report was prepared by Paul R. Hickok, John Balcom Shaw, John Kennedy, Winfield Scott Hall and J. M. T. Penney, who made an extensive investigation. After pointing out that the course of "silence and mysticism" is wrong, the report urges parents to "answer the natural questions of their children frankly, fully and sympathetically."

Speaking of the factors in the increase of the social evil, "which are now assuming alarming proportions," the report continues:

"One of these appears in the vulgar tendency of modern fashion. Our 'standards,' we remember, expressly forbid all 'immodest apparel.' Today many of our women are going to such extremes of dress as to shock even the least prudish, and open American womanhood to the charge of a complete forfeiture of modesty."

"The unfortunate side of it all is that the women of the church, whose most conspicuous adornment is supposed to be meekness, are quite as guilty of this offense as are the women who make no religious professions. Until our Christian women can be made to see what mischief has been done by such fastidiousness to the fables of fashion, there can be little hope of stemming this evil tide. We call the women of our Presbyterian Church to a practical separation of themselves from these tendencies."

Modern Dances Criticized.

Modern dances are also blamed, and the report continues:

"The literature of the day presents another very serious factor in this great problem. Nearly every work of fiction that is printed today is woven somewhere in its plot the intricate and questionable. The book reviews are a long series of descriptions of such stories. And the most glib of the modern writers is to be that this is what they appear to want."

The report sees "real danger in what we believe inheres in the too general and indiscriminate publicity given to questions of sex in the name of education." The report concludes with a set of resolutions calling upon pastors to guard children; indorsing the juvenile courts, and demanding the punishment of men as well as women for immorality.

College standardization was discussed at a conference of fifty college presidents yesterday afternoon. It was agreed that schools of the first class should have at least six professors.

MUST DROP FOOD LABELS.

Government Notifying 58,000 Manufacturers of New Regulation.

The Department of Agriculture has begun notifying more than 58,000 manufacturers throughout the country that on May 1, 1915, their guaranties filed under the pure food and drugs regulations would be stricken from the files, and that thereafter the serial numbers assigned to them must not be used on the label or package of any food or drug. This action is in accordance with the regulations adopted recently which abolished the use of the guaranty legend and serial numbers of foods and drugs. In notifying the manufacturers of the new regulations, the department advises that the guaranties should be incorporated in or attached to the bill of sale, invoice, bill of lading or other schedule given to the dealer, and that the new regulations and refers specifically to the goods listed in the invoice or document covers, need not contain a detailed description or schedule of the articles.

Most Backache Suffering Due to Disordered Kidneys

In the removal of the kidneys are called upon to perform a very important duty. The failure of these marvelous and delicately constructed tubules to properly do their work means retention in the system of poisonous matter. This pollutes the body, and if permitted to remain results in severe backache, pains, loss of appetite, indigestion, sleeplessness, rheumatism and eventually Bright's disease.

About thirty-seven years ago Warner's Safe Kidney and Liver Remedy was discovered. Its remarkable power to correct diseases of the kidneys and liver and to assist in restoring these vital organs to health was at once appreciated. It is today it stands as one of the standard remedies in the treatment of diseases of the kidneys and liver. It contains no harmful ingredients. Many persons suffer from diseases of the kidneys needlessly. The use of Warner's Safe Kidney and Liver Remedy will improve your health, and make you feel that life is really worth living.

It is sold by all druggists in 50c and \$1.00 sizes. A free sample and other valuable information if you write, Warner's Safe Kidney and Liver Remedy, Dept. 346, Rochester, N. Y.

BRYAN UPHOLDS FAITH AS A RULE OF LIFE

Secretary of State the Orator at Fairmont Seminary Commencement.

Tells Girl Graduates Education Should Not Alienate Sympathy for Mankind.

Faith as the supreme virtue which inspires and controls men's lives was described by Secretary Bryan of the State Department in an address last night before the graduating class of Fairmont Seminary.

To succeed in the world, it is necessary that one have faith in his physical and mental equipment. In addition he must have faith in the moral purpose of the work he has undertaken, faith in his fellow-man and faith in God, the speaker declared.

In the long run the person who is most unselfish will exert the largest influence," said the Secretary of State. It is better that we should occasionally be deceived than that we should go through life without trusting any one."

Mr. Bryan expressed the hope that the years coming will bring closer together those who have had the advantage of education and the masses of the people who have been denied such advantages.

Cites Case of Jefferson.

He referred to Thomas Jefferson as an educated man whose sympathy was quickened by education. He linked himself, said the speaker, with every member of the human race.

Mr. Bryan said it was better that a boy or girl should not go to school than that they should become educated and thereby grow ashamed of their early associates. "It's only when we can link ourselves in loving sympathy with the world that we can labor in it," he said.

The Secretary of State declared that the supreme thing in every human life is to bring itself into consistent relationship with its creator. He pointed out that men are not least them by mysteries in life and that the fact that they do not understand the plan of the creator should not lead them to doubt the existence of a supreme being.

Food, he said, is a mystery, but "mysteries don't bother us in the dining room; only in the church."

At the conclusion of the exercises the Secretary of State and Mrs. Bryan stood at the head of the class and received those present. Mrs. Bryan was patroness of the class.

Distribution of Honors.

Dr. Arthur Ramsey, principal of the seminary, presented diplomas and certificates to the following:

Diplomas—Clara May Pemberton, Texas; Pauline Bivings, North Carolina; Mary Dillin, Texas; Margaret Klein, Kentucky.

Certificates—Corinne Batchelder, Illinois; Mildred Block, Arkansas; Virginia Brown, Arkansas; Margaret Clark, Texas; Nellie Cooby, Alabama; Helen Costello, Pennsylvania; Margaret Fisher, Indiana; Eleanor James, Nevada; Elsie Lane, Dominion of Canada; Henry Ruth Lassiter, Texas; Margaret Lent, District of Columbia; Eudora Mitchell, Oklahoma; Adaline Moore, Oklahoma; Helen Nall, Michigan; Irene Porter, Pennsylvania; Alice Rogers, Virginia; Martha Strayer, District of Columbia; Elizabeth Taylor, Kentucky; Ruth Walker, Michigan.

The class officers are Clara May Pemberton, president; Virginia Brown, vice president; Mildred Block, secretary; Eudora Mitchell, treasurer; Helen Costello, sergeant-at-arms.

Out-of-Town Guests.

Among the out-of-town guests who attended the commencement were the following:

J. T. Pemberton, Fort Worth, Tex.; Mrs. Earl C. Astell, Fort Worth, Tex.; Mrs. J. D. Block, Paragould, Ark.; M. F. Block, Paragould, Ark.; J. S. Wilkinson, Paragould, Ark.; Mr. and Mrs. J. C. Klein, Louisville, Ky.; Mrs. A. G. Weller, Jackson, Mich.; Mrs. D. N. Crawford, McKeesport, Pa.; Mrs. T. E. Costello, Bradford, Pa.; Mrs. Edward Rogers, Henderson, Va.; Mrs. N. H. Lassiter, Fort Worth, Tex.; Miss Helen Lassiter, Fort Worth, Tex.; Mr. and Mrs. C. L. James, Reno, Nev.; Mrs. T. H. Mohler, St. Albans, W. Va.; Mrs. W. M. Cooby, Birmingham, Ala.; Miss Lily Lane, Calgary, Canada; Mrs. C. A. Porter, Allentown, Pa.; Mr. and Mrs. E. L. White, Fort Worth, Tex.; Mrs. R. C. Sweet, St. Albans, W. Va.; Mrs. J. M. Carter, Dallas, Tex.; Owen Carter, Dallas, Tex.; Mrs. Clarence Chandler, Dallas, Tex.; Mr. and Mrs. E. J. Fisher, Fort Wayne, Ind.; Mrs. H. Y. Rehner, Fort Wayne, Ind.; and Mr. and Mrs. J. H. Baker, Buckeystown, Md.

CAR LINE HEARING POSTPONED

District Heads Summoned to Capitol This Morning.

The District Commissioners having been summoned before the House Judiciary committee this morning were compelled to postpone a hearing scheduled before the public utilities commission at 10 o'clock this morning for the extension of the Congress Heights car line. The date for the hearing has been fixed for May 29, at 10 o'clock in the morning. The extension of the line has long interested the citizens of Congress Heights and vicinity, and the attendance at the hearing would have been large this morning, it is said.

CLAYTON SOON TO RETIRE.

Alabama Representative to Assume the Duties of Judgeship.

Representative Clayton of Alabama, chairman of the House Judiciary committee, who would have had charge of the debate on the anti-trust bill bearing his name, has served formal notice on the House that he would resign from the committee chairmanship owing to the fact that he must soon leave Washington for Alabama to assume the duties of the federal judgeship to which he has been appointed.

This will leave Representative Webb of North Carolina in charge of the judiciary committee.

Mrs. Gregory Sues for Divorce.

Alleging that her husband deserted her April 7 last and on the same day was married to another woman at Clarendon, Va., Mrs. Virginia D. Gregory filed suit for an absolute divorce today from Matthew D. Gregory. The new wife is named as correspondent.

The Gregories were married February 6, 1907, and have no children. Attorneys E. L. Gies and Michael C. O'Brien appear for the wife.

The "Ivory" of which these Toilet Sets are made never saw the interior of Africa; nor was it ever bundled by the blacks over the Zambian route to the coast.

In fact, genuine ivory is only used in this country in the manufacture of billiard balls—and in the fervid rantings of base ball fans!

But vegetable ivory, of which our Toilet Sets are made, is as just as beautiful as the pachyderm kind, and—what is more important—infinitely cheaper.

Graduation time is only a month or so off. Don't you think these low-priced Sets lend themselves beautifully for gift purposes?

VITAL FORCE

Disease germs are on every hand. They are in the very air we breathe. A system "run down" is a prey for them. One must have vital force to withstand them. Vital force depends on digestion—on whether or not food nourishes—on the quality of blood coursing through the body.

DR. PIERCE'S Golden Medical Discovery

Strengthens the weak stomach. Gives good digestion. Enlivens the sluggish liver. Feeds the starved nerves. Again full health and strength return. A general upbuilding enables the heart to pump like an engine running in oil. The vital force is once more established to full power.

Year in and year out for over forty years this great health-restoring remedy has been spreading throughout the entire world—because of its ability to make the sick well and the weak strong. Don't despair of "being your old self again." Give this vegetable remedy a trial—Today "Now." You will soon feel "like new again." Sold in liquid or tablet form by Druggists or trial box for 50c by mail. Write Dr. R. V. Pierce, Buffalo, N. Y.
